Welcome

Hey everyone! 🌟 Mr. Brian, Miss Kevlyn, and Mr. Jake can't wait to welcome all our amazing campers and counselors to Burkes Park 2025! We're super excited for a summer filled with fun, tons of activities, special events, and even a few surprises along the way! 🌲🌟 Every Thursday, we'll send out a cheerful newsletter to recap all the fun from the week and share some reminders about what's coming up next. It's going to be an unforgettable summer, and we can't wait to enjoy it with all of you! 🎉😊

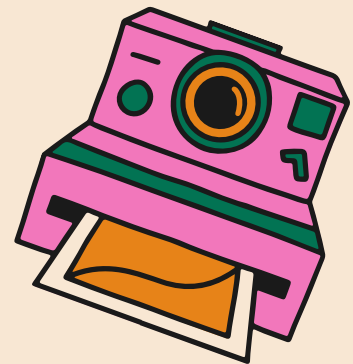

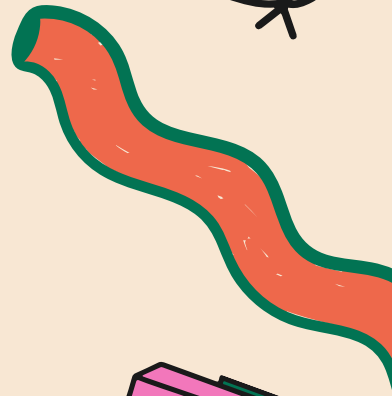

Wear your red, white, and blue on Thursday, July 3rd, to kick off the holiday weekend and celebrate our great country!

Reminders

Here are a few friendly reminders for everyone: Camp drop-off starts at 8:50 AM, and we'll kick things off at 9:05 AM (you'll hear a whistle to let you know!). Don't forget to pack a snack, towel, water, and wear comfy footwear. Camp wraps up at noon (another whistle will ring out then), and all adults picking up campers need to show a photo ID every day. Adults must walk to their campers since they can't leave the park without you. And don't worry about a little rain—we'll still have camp as long as there's no thunder or lightning! If you're ever unsure about the weather, just check our website for updates. Got any questions? Miss Kevlyn and Mr. Jake are here and happy to help! * For those registered for before care, you can drop off at 8 AM. Just head to the playground area, where our awesome counselors will be ready to kick off a fantastic day!

When you arrive at the park, find your child's age group and go to meet their counselors.
