Week 3 July 13th - July 17th

Week Two Recap!

Week 2 was a great success despite the crazy weather! Our campers and counselors made the best of every day and had an amazing time. From our muddy scavenger hunt to our stick-picking contest, everyone jumped right in. We never imagined so many sticks could be collected—we actually filled an entire park truck!

Tie-dye is officially underway, and we've already seen so many bright, colorful, and creative designs. Don't worry if your camper missed tie-dye this past week—we'll be finishing up this week so every camper and counselor has a chance to create their own shirt.

We're excited for another fun-filled week at camp! On Tuesday, we'll welcome back one of our favorite summer shows as The Grand Falloons visit camp with another entertaining performance.

On Wednesday, we'll celebrate Camp Kindness Day! The 9th Annual Camp Kindness Day, celebrated nationwide on July 15, 2026, encourages compassion, generosity, and building a strong camp community. This year's theme is "Camp Kindness: Out of This World!" We'll spend the day spreading kindness, making new friends, and showing how small acts of kindness can make a big difference.

We'll wrap up the week on Thursday with Crazy Hat Day, so campers and counselors are encouraged to wear their funniest, silliest, or most creative hats!

We can't wait for another week full of laughter, friendship, kindness, and summer fun. See you at camp!

UPCOMING CAMP EVENTS:
