Week 1 June 29th-July 3rd

Welcome to Camp!

Mr. Brian, Miss Kevlyn, and Mr. Jake are so excited to welcome all of our campers and counselors back for a fun-filled summer! We have so many exciting activities and special events planned, and we hope they create lasting memories for everyone.

Camp is a place to have fun, make new friends, and enjoy time with old friends, all while following the structure and routines that help keep everyone safe.

We can't wait to take you on a summer adventure filled with new games, amazing shows, exciting experiences, and plenty of smiles, laughter, and high-fives along the way.

Here's to an unforgettable summer—let the fun begin! 🌞🎉🍷💙

IMPORTANT CAMP REMINDERS:

Here are a few friendly reminders for everyone:

- Camp drop-off begins at 8:50 AM, and camp will officially start at 9:05 AM. You'll hear a whistle to let you know it's time to begin!
- Please remember to bring a snack, water bottle, towel, and wear comfortable footwear each day.
 - Camp ends at 12:00 PM, and another whistle will signal dismissal.
- All adults picking up campers must show a photo ID every day. For the safety of our campers, adults must walk to their camper, as campers are not permitted to leave the park without an authorized adult.
- Please follow all park parking rules and park only in marked parking spaces. There is only one entrance and exit to the park, and proper parking helps keep traffic flowing safely and protects all campers, families, and staff.
- A little rain won't stop the fun! Camp will be held as scheduled unless there is thunder or lightning. If you're ever unsure about the weather, please check our website for updates.
- For families registered for Before Care, drop-off begins at 8:00 AM. Please head directly to the playground area, where our awesome counselors will be ready to start the day.

If you have any questions, Miss Kevlyn and Mr. Jake are always happy to help!

We can't wait for another amazing summer of camp filled with fun, friendship, and adventure!
