

SAYREVILLE COMPASS

WINTER 2026

PROGRAMS & EVENTS

LEGO ROBOTICS

Begins January 26, 2026

6 week program

Students will experience a hands-on, interactive, and fun program! Let your child's creativity show as they design their own robots and prototype games using Legos!

- Grades 1-3 and 3-5
- \$155

YOUTH COOKING CLASS

Begins January 22, 2026

4 week program

Who's Hungry?! Your child won't go home hungry with these no-bake classes where ingredients are assembled and then can be made at home! All classes are nut free and allergy friendly.

- Grades K-5
- \$85

FUNKY FORCES SCIENCE PROGRAM

Begins February 4, 2026

4 week program

Does your child have an interest in science? Have them join the recreation department for this exciting program that will make them MAD about science! Each class includes a take-home project that can keep the fun going!

- Grades K-4
- \$116
